### EXPANDING TO LOGISTICS SECTOR

➤ Neregelia Company, which is a leader in the distribution market of Montenegro, celebrates 20 years in business. The largest distribution company in the country, which has 26 principals and an annual turnover of 62 million euros in the year of jubilee plans to expand to the logistics sector, in cooperation with Montenomaks C & L. Neregelia distributes products of leading international companies in the consumer goods and pharmaceutical businesses, such as Procter & Gamble, Mars, Philip Morris, Mondelez, SC Johnson, Sebapharma, Neoplanta, etc. "Neregelia started its journey 20 years ago with only 4 employees. Today, the company employs nearly 200 people,

and the value of the assets is estimated at around 20 million euros. We continue to expand our business areas and this year we are planning a strategic partnership with Montenomaks, which at this stage includes the exchange of knowledge and expansion of capacity" said the executive director of Ljilja Pižurica, who has led the company since 2008.
